To Acknowledge
God is
CRUCIAL

It puts God in His proper
place and your heart in its
proper place
Romans 12:3 Prov. 3:7

Acknowledgement is
a form of Worship

*When I worship I open
my eyes to the
strength and glory of
God.*

*"God wants us to worship Him,
not because He has a fragile ego
or anything like that. He wants us
to worship him because through
our devotion to Him, we move
closer to Him, we travel a path
that returns us to Him. In other
words, He wants us to worship
Him for our sake, not for His"*

To Acknowledge God is
CONTINUAL

*Acknowledgement never stops ...In all your ways implies every moment with every concern you have.
Rev 21:5; Lam 3:22-23;
1 Cor:5:17*

To Acknowledge God is
CONCRETE

If we do not have a way of symbolically acknowledging God then we have a way of letting life wash acknowledgement away
